Hooray! Hooray! for Hoodie Hoo Day!

What's Hoodie-Hoo Day?

Well it's a special day which falls on the 20th of February every year and it is celebrated in a very strange way! On this day, all across the Northern Hemisphere, people - wearing all sorts of costumes - run outside at noon, waving their hands in the air, and shout, "Hoodie-Hoo" to scare away winter and make way for spring! So if you're tired of winter like we are, be sure to join us at the library on Monday, February 20th when we'll countdown to noon and run outside to shout "Hoodie Hoo!"

We'll follow our hollering with a drop-in **seed-starting workshop**, where you can help us get ready for planting our library garden. Bring a small plant sell pack or a cardboard egg-carton if you'd like to start a few seeds to take home. Children under 10 must be accompanied by an adult.

Bring any extra clean planting pots and potting soil to share!

We'll also be launching our new **Seed Library** for you to "borrow" from to plant in your personal garden. Staff and Master Gardeners will be on hand to help novice and experienced gardeners alike. More information will be available when you stop by on or after February 20th.

Come grow with us!
