Chilli Bear's Corner

I'm planning a long trip to visit my family up North for Thanksgiving. I wonder if there is any way to listen to a book on my drive? Oh, looks like Libby, Hoopla, Axis 360, and Biblioboard all offer audiobooks as well as eBooks. The only thing I need to know is my library card number and pin/password.

We are committed to keeping everyone safe!

Library Director, Mary Aylmer, is pleased to announce Chillicothe Public Library District is a recipient of a grant award from the Illinois State Library, a department of the Illinois Secretary of State's Office. The *On the Road to Recovery: Transforming Library Spaces* grant provides funds from the American Rescue Plan Act of 2021 (ARPA) for projects focused on creating clean, safe library spaces.

Chillicothe Public Library District's award of \$25,000 will allow the library to do just that by responding to the increased public safety requirements arising from the pandemic. The library's *Keeping our Public Safe & Healthy* project initiatives are 1) the professional cleaning and sanitizing of carpeted floors and upholstered furniture, 2) the addition of professional weekly cleaning services utilizing electrostatic technology, and 3) the installation of a washing machine and dryer used to disinfect children's toys and other washable library materials.

"Through achieving all three objectives," says Aylmer, "the library can help our public stay safe, healthy, and engaged."
